

# ILAS POSTER SESSION WEEKS !

**Graduate Students !!**

**Why don't you display a poster of your research in the entrance hall on the 1st floor of ILAS.**

The purpose of the poster session is to let undergraduates know what kind of research you are doing at KU and also to have experience the poster session.

For the presenters, it will be a good opportunity to practice and review for the presentation, and also a chance to hear feedback from a different perspective than usual!

**Please feel free to apply !!**

**Deadline: November 26, 2021** →
